

Physical Education

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

The national curriculum for physical education aims to ensure that all pupils:

- develop competence to excel in a broad range of physical activities
- are physically active for sustained periods of time
- engage in competitive sports and activities
- lead healthy, active lives

Year 8 Physical Education

Content of study	Students will build on and embed the physical development and skills learned in Year 7, and become more competent, confident and expert in their techniques, and apply them across different sports and physical activities. Students will understand what makes a performance effective and how to apply these principles to their own and others' work. Students will develop the confidence and interest to get involved in exercise, sports and activities out of school and in later life, and understand and apply the long-term health benefits of physical activity. This is promoted in lessons and through the extensive extra-curricular programme on offer that is adjusted each term in response to district competitions as well as catering for varying interests.
What are the aims and objectives of this year?	The PE Department recognises and values the importance of Physical Education and aims to develop a fun, high-quality physical education curriculum that inspires all pupils to succeed and excel in competitive sports and other physically-demanding activities. Students are taught to: • use a range of tactics and strategies to overcome opponents in direct competition through team and individual games (for example, badminton, basketball, cricket, football, hockey, netball, rounders, rugby and tennis) • develop their technique and improve their performance in other competitive sports (for example, athletics and gymnastics) • take part in outdoor and adventurous activities which present intellectual and physical challenges and be encouraged to work in a team, building on trust and developing skills to solve problems, either individually or as a group • analyse their performances compared to previous ones and demonstrate improvement to achieve their personal best • take part in competitive sports and activities outside school through community links or sports clubs. Through enrichment activities and intra- & inter-school competitions, we aim to raise the profile of Physical Education and expose our students to sports they may never have had the opportunity to engage with. Students will receive 2 x lessons of PE a week, one being a lesson that is games based and will allow students to apply their knowledge & skills in a more competitive environment.

What previous knowledge is required?	Students were introduced to the broader Key Stage 3 curriculum in Year 7 and will now build on the skills, knowledge and experience so that they can develop into more competent performers and critical thinkers. There will be a greater focus on outwitting an opponent.
How will this content help with future learning?	The GCSE Physical Education course will appeal to students if you: • Have a keen interest in sport and recreation and always look forward to your PE lessons • Take part in sport/recreation outside of class time • Want to follow a course that develops knowledge and understanding through practical involvement • Want to know more about the benefits of sport and exercise • Want to improve your own performance in a range of sports roles • Want to study a course that is active and that you will enjoy that will provide the foundations for GCSE PE and/or Level 2 BTEC Sport
Resources	Other resources can be obtained from the listed links below: • National Curriculum: National Curriculum - Physical education key stages 3 and 4 (publishing.service.gov.uk) • Secondary (KS3) PE Activities - Youth Sport Trust • Physical Education lessons for Key Stage 3 students - Oak National Academy (thenational.academy)

Assessments	Teaching should ensure that, when evaluating and improving performance, connections are made between developing, selecting and applying skills, tactics, and fitness and health. Acquiring and developing skills Pupils should be taught to: - Refine and adapt existing skills - Develop them into specific techniques that suit different activities and perform these with consistent control. Selecting and applying skills and tactics Pupils should be taught to: - Use principles to plan and implement strategies, compositional and organisational ideas in individual, pair, group and team activities - Modify and develop their plans - Apply rules and conventions for different activities. Analyse and evaluate to improve performance Pupils should be taught to: - Be clear about what they want to achieve in their own work, and what they have actually achieved - Take the initiative to analyse their own and others' work, using this information to improve its quality. Knowledge and understanding of fitness and health

	Pupils should be taught: a. How to prepare for and recover from specific activities b. How different types of activity affect specific aspects of their fitness c. The benefits of regular exercise and good hygiene d. How to go about getting involved in activities that are good for their personal and social health and well-being.

CORNWALLIS ACADEMY PE DEPARTMENT

8C PROGRAMME OF STUDY

8C PE PROGRAMME OF STUDY 2022-2023

Wednesday Period 1

TERM	8C/Sp1 Girls JMO	8C/Sp2 Boys JU
1	Netball- MUGA	Badminton- SPH
2	Gymnastics- GYM	Football- FLD
3	Basketball- SPH	Health & Fitness- GYM
4	Health & Fitness- GYM	Lacrosse- FLD
5	Athletics- FLD	Athletics- FLD
6	Strike & Field- FLD	Strike & Field- FLD

Thursday Period 4a

TERM	8C/Sp1 Girls JMO	8C/Sp2 Boys LS
1	Table Tennis- GYM	Basketball- SPH
2	Health & Fitness- GYM	Rugby- FLD
3	Badminton- SPH	Table Tennis- GYM
4	Table Tennis- GYM	Handball- SPH
5	Athletics- FLD	Athletics- FLD
6	Strike & Field- FLD	Strike & Field- FLD

Range and Content:

Students must participate in at least four (4) of the following:

Dance
Gymnastics
Striking & Fielding
Invasion Games
Swimming
Net & Wall Games
Athletics
OAA
Health & Fitness

Location/Facility Codes:

SPH: Sportshall

FLD: Field

Gym: Activity Room

MUGA
