Level 2 Beauty Therapy

Curriculum Intent

The VTCT Level 2 Certificate in Beauty Specialist Techniques is a qualification that has been specifically designed to develop your practical skills in; how to provide eyelash and brow treatments, applying make-up, and skincare. The purpose of this qualification is to develop your skills in beauty therapy to a high level of occupational ability, to enable you to perform your own salon services.

Assessment, Marking and Feedback

For the Health and Safety Unit, students will have an external examination on the topic as well as demonstrating during practical manicures the health and safety.

For the manicure and Health sections, students have to be observed completing the different types of manicure 3 times and demonstrating the health and safety requirements, this also needs to be moderated.

For the pedicure and Health sections, students have to be observed completing the different types of pedicures 3 times and demonstrating the health and safety requirements, this also needs to be moderated.

For the Eyelash and brows and Health sections, students have to be observed completing the different types of eyelash and brow treatments 3 times and demonstrating the health and safety requirements, this also needs to be moderated.

Homework

Students will have access to Pivot Point providing them with online reading and work to complete.
